**Story Time Treasures** Ages 3-5 years

Tuesdays 7:00-8:00 pm & Wednesdays 10:15-10:45 am

Story Time Treasures is designed to engage your child in his/her own learning through a variety of stories, songs, puppets, finger plays and games. Each week we explore a new theme and bring life to the characters in the stories through imaginative play. On Tuesday evenings, we also provide a craft activity for you to participate in with your child. Though you are not required to remain in the room during story time, we do ask that you remain in the building and are readily available for your child at all times. While visiting the library, we encourage you and your child to select books to read at home.

**Tiny Tot Tales** Ages 1-3 years

Wednesdays 11:00-11:20 am

Tiny Tot Tales is a shortened version of our story time, designed to introduce young children to a group setting. Each week we explore a new theme that has been simplified to encourage language development and group play through stories, songs, puppets and finger plays. For many children, this will be their first group experience, so it is important that parents remain in the room and plan to participate with their child. Toddlers learn through imitation and repetition, so it is not uncommon for them to just watch and participate when they are ready. If your child becomes restless or uncooperative, please feel free to leave the room and return when he/she is ready.
